MEMORANDUM FOR: Deputy Director for Science and Technology

SUBJECT: CIP Review

After the 11 July meeting of the CIP Review Group, ASD (SA) and BOB representatives raised the question of the possible simultaneous negotiation for and competition between [redacted] if both are installed [redacted] Does the possibility that [redacted] might be seriously considered for installation [redacted] cause you any concern with respect to [redacted] either on a program approval, a capability duplication, or a negotiation basis? I believe that the answer to this question will furnish the guidance requested in para. 2 of the attached by the DCI Representative to the CIP Review Group. [redacted] has asked me to obtain your views.

[redacted]  
Assistant for Systems Analysis  
to the Deputy DCI for  
National Intelligence Programs Evaluation
